No, what I wanted to say was...

I was involved in a secret society, and practiced occult magic

That's how I came to know Lucious.

chew chew

...and he kinda ruined things for me. I've spent the last several years trying to forget. I thought I could live a quiet life working in a book-store...

GASP!

thank you thank you thank you thank you thank you

Sorry to interrupt, but alot of things make since now...

The strange dream I had...

...and HAHA my roommate thinking you were casting spells on them.

Wait, are they extremely pointy and short?

Oh god, I remember them Now!

You don't need to tell me about it. I know their story was BS.

Out of curiousity, what sign are they?

Fucking Gemini.
